- d. Beyond 180 days of the invoice date are subject to discretion of the Business Manager.

Shipments of returned merchandise sent collect will not be accepted. If there is any repair work of any nature required at the time of receiving inspection at our plant there will be an additional charge for repair work over and above the applicable restocking charge. Returns must be banded to a pallet and marked "Must remain upright and banded to the pallet". Any returns not banded to a pallet and are not marked as such, will be closely evaluated before any credit will be issued. Merchandise that has been "customer modified" or has any special finishes applied cannot be returned for credit.

Warranty:

Thermal Edge products are warranted to be free of defects in workmanship, materials and components. The warranty period applies from date of shipment for five years. Replacement components have a one year warranty period, except for hermetic system components, which have a 90 day warranty period. Any warranty repair work must be issued a return authorization number PRIOR to return.

Claims:

In the event of shortage or damage, notify the carrier FIRST as well as Thermal Edge, Inc. immediately upon receipt. We are not responsible for damage occurring in transit, but will gladly render any assistance necessary to pursue your claim against the transportation company. Merchandise must be inspected for concealed damage within 15 days of receipt.

Order Cancellation:

A charge of 25% of the net price will be applied on any cancellation of a formally acknowledged order. If modifications, specifically ordered by the customer, are being made of the cancelled merchandise, the cancellation charge will also include such modifications made up to the date of cancellation. Any order canceled after product is shipped will be subject to restocking charges and all shipping costs.

Order Quantity Change:

In the event that a large quantity order is placed that requires special requests to our vendors for the necessary material to complete the order and the order is reduced for any reason after an order acknowledgment has been sent, there will be a charge. This charge will be based on the quantity, specialty and the requested delivery dates of the original order and the cost from our vendors to stop or reduce the special request. Any large order discount will be re-evaluated upon quantity change.

Design Changes:

Thermal Edge, Inc. reserves the right to make design, hardware, engineering and packaging changes, which do not interfere with the use for which such products were designed and manufactured. If ordering a replacement for a Thermal Edge air conditioner, please include the part number and serial number of the unit being replaced in your order. This will assure that we ship a replacement that is compatible with the cutout dimensions and power connection features of the older model.

Shipping:

FOB Factory, pre-pay and add to invoice. All shipments are routed motor freight via our carriers unless otherwise specified by the customer. Our products are packaged in heavy duty cartons and are banded to a pallet. Most items are one per carton unless otherwise stated.

Contingencies:

All orders received are contingent upon accidents, strikes and other causes beyond our control. Shipments are subject to Accounting and Business Office approval.

Minimum Order:

A minimum order of \$50.00 is required unless otherwise cleared through the Accounting and Business Office.

Thermal Edge Inc.™

WARRANTY INFORMATION

Thermal Edge products are warranted to be free of defects in workmanship, materials and components. The warranty period applies from date of shipment for five years. Replacement components have a one year warranty period, except for hermetic system components, which have a 90 day warranty period.

The above warranty applies when the equipment is operated under the following conditions:

- Ambient temperature not in excess of performance rating in normal atmosphere or as stated on product nameplate
- Voltage variation within limits stated in User & Technical Manual
- Frequency variation no greater than $\pm 3\text{Hz}$ from nameplate rating
- Maximum cooling load no higher than air conditioner nameplate rating
- Waiting five minutes before restarting air conditioner after intentional or accidental shutoff
- Compliance to all other installation, maintenance and operating instructions, as supplied

Thermal Edge cannot assume responsibility for misapplication of its products or the erroneous selection of an inappropriate product by a non-authorized Thermal Edge representative. Our applications engineers will gladly assist in the selection of the proper product provided all required details of the application are furnished.

Thermal Edge assumes no liability beyond the repair or replacement of its own product. This Warranty does not cover:

- Labor or reimbursement of labor for evaluation, removal, installation, repair, or cost of any warranted part, except at the Thermal Edge factory in Dallas, Texas
- Use of equipment for other than its designed purpose or operating conditions
- Operation in harsh, oily, corrosive or other abnormal environmental conditions, without the proper filtration, sealing, protective coatings and/or weather protection, or cosmetic corrosion that does not affect operation
- Damage to hermetic system resulting from continuous operation with dirty or clogged air filters or improper or negligent maintenance
- Use of refrigerant other than designated
- Customer modification or abuse
- Shipping damage or other accident
- Repair or service by unauthorized personnel

Thermal Edge must be notified of a claim in writing not later than fourteen (14) days from the date when buyer has become aware of such occurrence, or immediately, when the defect is such that it may cause damage.

If air conditioner is to be shipped or transported at any time, it is best to pack in original packaging and strap to pallet to prevent damage. Air conditioner must be kept upright at all times. Air conditioners that have internal damage due to shipping are not covered under the Warranty. Claims for shipping damage are the responsibility of the Consignee. Damage must be noted on Bill of Lading at time of receipt. Timely claims must be filed with the freight carrier.

The purchaser assumes the responsibility of grounding the unit and installing it in accordance with local electrical and safety codes, as well as the 2008 National Electric Code (NEC) and OSHA.

THIS WARRANTY CONSTITUTES THE ENTIRE WARRANTY WITH RESPECT TO THE PRODUCT AND IS IN LIEU OF ALL OTHERS, EXPRESSED OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY AND WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE AND IN NO EVENT IS THERMAL EDGE RESPONSIBLE FOR ANY CONSEQUENTIAL DAMAGES OF ANY NATURE WHATSOEVER.
